Papers Submission

Scientific papers:

This year, the paper submission policy has been changed to give the authors an opportunity to publish their findings in high-impact journals. Therefore, scientific papers are to be submitted as extended abstracts, which will be included in the Conference Proceedings. Persons interested in presenting a paper or a poster should fill in the Registration Form and send it to the Conference Office, giving paper or poster title, authors' names, and extended abstracts. The abstract should be prepared in Polish or English, according to the instruction given at <http://inpap.pl>, and sent to the Conference Office via e-mail. **Abstracts should be sent by May 10th, 2019.** The time allocated for a presentation is 20 minutes.

All scientific papers will be reviewed.

Commercial presentations:

The fee for a commercial presentation: 1500 PLN + VAT
The time allocated for a commercial presentation is 25 minutes.

Participation in The Conference

Persons interested in participating in the Conference are requested to fill in the Registration Form and send it to the address of Conference Office by **May, 20th, 2019**. Proper Conference fee should be realized to Organizers' account. The form is available at the Conference website.

The basic fee for participation in the conference is:

Regular participant: 1200 PLN

Student: 700 PLN

The fee entitles you to: participate in all sessions, touring shows, a set of materials conference, lunch and participation in social events.

The fee does not include accommodation. Please individually book accommodation at the Conference venue.

NOTE: The pro-forma invoice can be issued. Once the payment has been made, the final invoice will be issued.

Participation in The Exhibition

During the Conference, companies and suppliers will have the opportunity to present and offer their products, technologies, machines and innovative services. Participants and companies wishing to take part in the Exhibition are requested to fill in the Registration Form and send it to the address of the Conference Office by **May, 20th, 2019**.

Note: The prerequisite for participation in the exhibition is co-participation in the conference, confirmed by the appropriate application of any person representing Exhibitor and remittance of conference fee.

The basic fee for rental of exhibition space is **1800 PLN + VAT**. It provides a stand of the area of 4 m², equipped with a

table, two chairs, counter, lighting, electrical outlet, 230V, and company name on the frieze. For each additional 1 m² of exhibition space fee increases by **400 PLN + VAT**.
